Nice and welcoming apartment in the bullring of Marbella, close to all the basic needs of daily life without having to take transportation, shopping center, supermarkets, health center, old town 2 minutes walk, bus stop etc...80 m2 distributed in a large entrance hall, quite sunny living/dining room, next to a large master bedroom with built-in wardrobes, we continue with a full bathroom with shower, 2 full bedrooms with built-in wardrobes and lots of light with afternoon sun and finally we enter the long masonry kitchen. The house is characterized by having two entrance doors, one through the kitchen, whose entrance would be through Grard Brenal. The street is a square with a playground, a basketball court and ample parking. The other entrance door is through the main portal entering a beautiful building, which also has numerous parking spaces and common areas. Attractive for investors or families who wish to be in the center of Marbella in a fa...
