Located at the middle height of the prestigious Cerrado de Caldern urbanization, we find this impressive villa, built and designed in 1988 by a renowned architect, which elegantly combines rustic and Mediterranean style. It is built on a 2,325 m2 hillside plot, so you can enjoy privileged 180-degree views of the sea, the Pedregalejo area and the Bay of Malaga, as well as the mountains, with a total constructed area of 675m2 and the possibility of building more. The property has three floors, in the basement we find a large garage with 4 spaces, storage room, sauna and a cistern. On the first floor we find a large living room and dining room with a fireplace on two different levels, as well as an office with high ceilings and a large kitchen with a separate pantry. Further, on this level we find two bedrooms, one of them for service with an en-suite bathroom and another bathroom at the entrance. In the center of the house, an Andalusian-style patio...
