We have an apartment next to the center of Lo Pagn that is waiting for you! It is a first floor that has three bedrooms, a living room that communicates with a fairly large balcony, a separate kitchen with access to a small gallery and a bathroom. The best thing about this property is its location, as it is just a few meters from the beach of Villananitos and the curve of Lo Pagn, as well as the Mill and the famous Baos del Lodo, where most of the services are located, (supermarkets, shops, restaurants...), so you can not worry when looking for parking because you will not need to use your vehicle most of the time. Do you want to know more about this fantastic opportunity? Do not hesitate and contact us.
