Discover this exceptional rustic estate with over 150 years of history in Sencelles, a unique opportunity to acquire an authentic Mallorcan possessi with a vast forested area at an incredible price. The property spans 117,000 m², featuring a two-story main house and adjacent buildings that total 429 m² of constructed area. The estate boasts significant historical elements, including a typical Mallorcan kitchen with a fireplace, hydraulic tiles, and wooden beams. The estate is situated in an idyllic location between Ruberts and Pina, providing complete privacy thanks to its wooded surroundings and distance from the road. Just 20 minutes from Palma, this estate offers exceptional potential for those interested in a property with history and a myriad of renovation possibilities. This is an unmatched opportunity to breathe new life into this estate and restore all its original splendor. Dont hesitate to visit and explore its potential. Dont miss th...
