“Annapurna II” consists of 22 apartment and duplex style homes with 2 or 3 bedrooms divided into 4 blocks. They share garden areas and 2 communal swimming pools. Every property has an underground parking space and storeroom included in the price (there are optional extra parking spaces and storerooms). The top floor properties are 3-bedroom duplexes, there are also 2-bedroom duplexes, and the apartments all have 2 bedrooms. The properties are stepped so are not directly on top of each other as a traditional apartment would be and they just have one neighbour to one side. The 2-bedroom apartments also have an open plan kitchen with a lounge/dining room that opens completely onto the large terrace, a utility room, and 2 bathrooms. These homes are built with high-quality materials and are being sold with hot and cold air conditioning via a duct system, underfl...
